2020 Convocation Information

Congratulations LSJ Class of 2020!

We are all excited to celebrate your achievement at the LSJ convocation. This website is intended to answer any questions you may have about the celebration.

LSJ Convocation will happen on Thursday, June 11th at 12:30pm. The event will happen live and will also be recorded for your viewing pleasure later (we will provide a link when one becomes available). The event will be live so we strongly recommend logging in a little early and encouraging your guests to do the same.

How to Access Convocation

We will send out the Zoom link for convocation to all graduating seniors who signed up to attend. This link will require your NetID and is for you only.

GRADUATES: Please log into Zoom at 12pm.

Your loved ones will also get to participate in the celebration through a platform called Marching Order. The live link for Marching Order can be found below. This link will go live on Thursday at 12:20pm and will begin with a slide show of photos.
