CLASS Graduate Fellow Resources

This page offers information and resources from the CLASS Grad Fellow Workshops held throughout the year.

Grant Workshop

The following documents come from our workshop discussing the grant proposal process and funding opportunities. In particular, we also spoke in depth about the National Science Foundation's Law & Social Sciences Program.

- **Powerpoint Presentation**: This presentation is from the CLASS Grad Grant Workshop.
- **Sample NSF Proposals**: The following proposals give you a general idea of the Project Description. Please note that they are samples that will not necessarily meet current NSF requirements as these can change over time. [Proposal 1](https://lsj.washington.edu/class-graduate-fellow-resources), [Proposal 2](https://lsj.washington.edu/class-graduate-fellow-resources), [Proposal 3](https://lsj.washington.edu/class-graduate-fellow-resources)
- **Funding Resources List**: This list contains a variety of dissertation related grants and funding resources. Please note the information is subject to change including due dates as funding agencies may change the availability of the grants.
